## Congresswoman Loretta Sanchez To Kick-Off 2010 Re-election Campaign

**WHAT:**

Congresswoman Loretta Sanchez is set to kick off her 2010 re-election campaign to continue serving the constituents of the 47<sup>th</sup> Congressional District.

"Serving the people of California's 47th district in Congress is a great honor and a privilege, and I am so grateful that my constituents have elected me to represent their values and priorities for the past fourteen years.

"I approach each and every decision I make by putting the families of my district first. Our country may be on the road to recovery, but there is much more work that needs to be done to jumpstart our economy. And with my seniority in Congress, I am well positioned to continue our critical efforts to put people back to work, improve education, and reform our health care system.

"I truly believe that I have the best job in the world, which is why I am proudly running again to continue to represent the great people of California's 47th Congressional District."

Sanchez, volunteers, and supporters will be door knocking in the Garden Grove area.
